

We, the parents/guardians of _____ have read the academy rules and conditions concerning the policies and practices of the Three Twenty Three Training Academy. We agree, having been selected to a team, to let my child join the academy for the current season.

We understand that we are responsible for all fees due by the player as well as her transportation to practices.

Maintaining membership on a specific team will be at the discretion of the director of the academy.

We have read this material and understand the time commitment involved in practice and competition. We understand the player fee will be due on February 27, 2021 at the parent meeting. We understand these must be paid in full regardless of the duration of participation by the individual. Understanding the stipulations and having discussed these with our child, we agree to and will support her participation in the academy. We understand that once registered with, and having competed with the academy, the money is non refundable. If training is limited or cancelled due to COVID-19, there may be partial refunds given back to families. Any partial refund given will depend on many factors including but not limited to: 1) The timing of a shutdown 2) If we would be permitted to resume training (postponement instead of cancellation) Keep in mind that a majority of your club fee is spent before the players play in their first tournament. (Uniforms, insurance, registration fees, coaches, administration, tournaments, gym rental, utilities, etc.).

Players, parents and spectators will be required to conduct themselves in a professional and exemplary manner at practices and scrimmages. Every player is an academy representative and is expected to be a diplomat of the academy. We understand that violating any of the academy rules will lead to a non refundable dismissal of the player.
